

ECON 136 Midterm Exam #1  
Oct. 12, 2016  
Study Guide Corrections and additions.

**Part 1 sample questions**

9. The graph for question 9 is on the next page.
10. Delete this question.
25. Delete questions 25-32. They may appear on the next midterm.

**Part 2 sample questions**

Contrary to previous indications, I have decided that everyone will answer the same question, which concerns the “infant industry” argument for protective tariffs.
